### About the Speaker:

Yoshi Honda is the Director of Operations for US CAD in Hawaii. He was formerly the president and owner of Pacific CADD Services, Inc. a CAD production service company based in the Hawaiian Islands for over a decade. In addition to commercial CAD production, US CAD Hawaii performs CAD management, implementation, and is an Autodesk Premier Solutions Provider that fosters CAD awareness.

Honda has had the opportunity to work with many local, national, and international firms that has allowed him to experience many different styles of project and CAD management. Honda has taught at the college level and has been speaking at Autodesk University since 1997.

Honda is also long-time member of AUGI, Inc., where for six years he has held various AUGI Board of Directors positions including Education & Training Chair, Junior & Senior Vice President as well as President in 2002 and again in 2005. He continues to serve the organization as the Education Manager and also the Content Manager for the AUGI CAD Camps.
